THE FUNNY MAN'S PAPER.

In a little town well known to the people who live there is published a little paper called the *Appeal* that takes it upon itself to regulate the State of Nevada, including all the other newspapers. It sets itself up as a judge and jury and brings all who may not state their opinion forcibly or harmoniously with its own, before it to answer. During the campaign it hauled up nearly every paper, and most of the prominent candidates, and told them they were suspected of not being sound upon one thing or another. First it was the Gold Hill *News*. Then the other Carson papers. Then the *Journal* or the Eureka *Leader* or Thomas Wren or the GAZETTE. Almost everybody good naturedly stated their position in a plain and frank manner, probably because they had nothing to conceal and wanted the public to know it. The amusing statements frequently appeared in its columns that the *Appeal* was the only strictly straight Republican paper in Nevada; that it was the leading Republican paper, etc., etc. A day or so ago the *Appeal* said:

The *True Fissure* remarks that prominent among the papers who opposed Sharon were the *Stage*, GAZETTE, *Journal* and Carson *Appeal*. None of the journals above alluded to took any part in the anti-Sharon fight until some two months after the *Appeal* had been read out of the party, accused of Democratic tendencies, hooted and howled at and charged with attempts at blackmail, simply for warning the Republican party of Sharon's contemplated course.

The above is pure cheek. The GAZETTE has, ever since it was founded, and that was long before the present administration of the *Appeal*, never mentioned the subject except to oppose Mr. Sharon's re-election. It has on every seasonable occasion stated its position, and has never been misunderstood. We have done what we could to build up sentiment of that sort. As to the relative influence exerted by the *Appeal* and the GAZETTE the public is the best judge.

The papers alluded to in the *Fissure*, however, deserve credit for the unequivocal stand they took, and we thank them for the assistance rendered.

That ought to go a long way to maintain the *Appeal's* reputation as a funny paper. The people who do not see the "humor" in a life-long Democrat talking that way to life-long Republicans must be lacking in something.

EDITORIAL NOTES.

Dr. Meares of San Francisco says the vaccine virus from the Pacific Bovine Virus Farm is utterly unreliable. Another idol shattered. Is there nothing trustworthy in this world? For a whole month our people have been congratulating themselves that they had a real Bovine Virus Farm on the coast, whence they naturally expected that streams of virus, rich and pure and unadulterated, would be poured forth in the present emergency. Let every family keep a vaccine cow.

Moody and Sankey have a tough job on their hands now. The spiritual regeneration of San Francisco is a task to which they are likely to succumb. We expect to see two coffins going East by express from San Francisco, marked respectively M. and S. As the Canadian Chairman of the Committee on State of Religion recently reported of Toronto, there isn't any state of religion in San Francisco. Can Moody and Sankey revive the dead?

Times are dull on the Comstock, and the Virginians have been badly off for excitement since the election. Stocks are flat and business depressed. An effort to raise the drooping spirits of the populace was made on Sunday evening at the Alhambra, where a young grizzly was exhibited on the stage and allowed to whip all the dogs that were set on him, one at a time. Virginia is badly in need of a new sensation.

The Chilenos and Peruvians continue to fight with undiminished ardor. Commander Lynch (a brother of the Judge) is raiding the north of Peru with his army of Chilenos. Lynch collects tribute as he goes along. The towns and villages that refuse to pay are burned. There is no nonsense about Lynch. The war is likely to last a leng time yet. The engagements are between very small bodies of troops.

A modest reporter of the Chicago *Tribune* called on General Garfield a few days ago, to learn the policy of the new Administration, and the names of the Cabinet officers. The President elect did not reveal his plans so fully as he might have done. He gave the reporter to understand, however, that there would be fair play all round, to North and South and East and West. The General expressed the opinion that the Morey letter lost California to the Republican party.

The Republican Congressional Committee has been informed that the Democrats will contest the following districts: First and Second of Alabama, First and Second of Louisiana, Third and Ninth of Missouri, First, Second, Third and Fifth of South Carolina and the Second and sixth of Mississippi. There is no reason to believe, however, that the Republicans will lose the control of the House through these contests.

The *Scientific American* recommends smokers to use holders when they smoke cigars. It is stated that syphilitic sores in the mouth have been caused by smoking cigars made by diseased persons. Many cigar makers have a habit of finishing the small end of a cigar with a "lick" of the tongue. Thus the cigar is sometimes the medium through which a frightful disease is communicated.

The rowing match between Hanlan and Trickett, on the Thames, was won with the greatest ease by the Canadian. The Australian showed signs of complete exhaustion at the close. Hanlan had such an easy task that he lay down in his boat once or twice during the race, washed his face and waited for Trickett to catch up. He might have led Trickett half a mile.

On an original capital of $400 Moses Adler has made $20,000 in the grocery business in Eureka, Nev., in four years. Now he is going to take a trip around the world.

The Bodie *Chronicle* and *Union* have been consolidated, and will hereafter be published and printed at Bridgeport as the Bridgeport *Chronicle-Union*.

There was arsenic in the new green striped stockings worn by Mary Dick of Chicago, and she nearly died from the poison which her legs absorbed.

The Virginia *Chronicle* says the Morey forgery investigation is growing monotonous. Philp and Barnum don't think so.

The Spanish have a proverb that a dollar in the pocket is better than a hundred in the bank.

The C. P. Railroad pays half the taxes in Humboldt county.

Matthews of Mowryville, Iowa, rises early every morning, and rings a bell at 5 o'clock to awaken his workmen. Pinney, who lives close by, likes to sleep late, and he begged Matthews in vain not to sound the bell. He never goes to bed until 12 o'clock, and now at midnight he fires a cannon to disturb the slumber of Pinney. Between the midnight gun and the 5 o'clock bell, the inhabitants of Mowryville curse both Pinney and Matthews.

On Sunday morning, before daylight, Sol Heath, the night watchman at the mine belonging to Chas. Rosendale, at Empire Flat, Nevada county, discovered three Chinamen engaged in robbing the sluices. He fired and killed one Chinaman, and the other two took to their heels. Heath fired again and, as he thinks, hit another Chinaman, but they effected their escape.

J. E. Hughes, a Fresno farmer, recently observed a large eagle in pursuit of a jack-rabbit. The rabbit made for a hole, but soon emerged followed by a badger. Both the eagle and the badger attacked the rabbit, but Mr. H. appeared upon the scene and captured the eagle, while his dog pitched into the badger and the rabbit made his escape. The eagle was taken to Fresno and exhibited.

A soap-eating match was a diversion at Springfield, Ohio. The quickest devourer of a bar of yellow soap got a prize of $5. The winner performed the feat in less than an hour, but was much longer in the hands of a physician, because the lye poisoned him.

About 100 men have been discharged from the Union shaft and work discontinued in the south compartment for the present.

The Cold Wave.

The cold wave which has stayed with us in Reno for the past ten days has also been felt in the Sacramento valley. In Sacramento the cold has been the most severe experienced since 1872. The temperature in the city fell on Sunday night to 30°, 2 below freezing point. Ice formed in exposed places and plants were badly frost-bitten. The Sacramentans have been going about muffled up, after the fashion of people in the east at this season. It has also been unusually cold for the season at Truckee. The mercury there was down to 13 at 7 A. M. yesterday, and at the same hour on Saturday last it marked only 4 above zero. With a few exceptions, the weather reports of California for yesterday morning showed a lower temperature in the valleys than on the mountains.

Grouse and Grouse.

Ben Bacon is making himself a reputation for hunting during his stay at Verdi. A day or two ago he was at Reno, and he said grouse were very thick around Crystal Peak and Verdi. He said he was out not long ago armed with only a little five shooting revolver; about forty yards off he saw a grouse's head sticking up among the branches of an old fallen pine. He had no idea of hitting it, but drew up and shot to see it fly. When the smoke cleared up the head was still in the same spot, and he fired again. The head never moved that he could see, and he fired again, and all five shots were sent at it before he stopped. He then stepped up to the log and found that he had shot the heads off five birds. As fast as one fell another popped its head up in the same place. He now lives on grouse pie.

Athletic Club.

A special meeting of the Athletic Club is hereby called for this (Tuesday) evening. Business of importance will be transacted, and the regular class will be led by Mr. Spencer, of the Virginia Turn-Verein.

JOTTINGS.

—Oro is assessed ten cents.

—Reno has been very quiet to-day.

—Thanksgiving comes on Thursday of next week.

—Rabbits are said to be numerous in this valley this year.

—Some bullion from the J. & K. is expected in this evening.

—Several fine town lots and a good house are advertised for sale.

—S. E. Ware petitions the Commissioners to make him Inspector of Streets.

—There have been no arrests for a long time and there is nothing new in the Justice's Court.

—Potatoes are very scarce in Plumas county. The people there are sending to Honey Lake and Reno for some.

—Drs. Lewis and Dawson received a plentiful supply of fresh bovine virus for vaccination, from New York this morning.

—Considerable building is going on in Reno. Quite a number of houses are going up in various parts of the town.

—The westbound overland has come in several hours late every night lately. The detention is caused by snow on the U. P.

—Think of those 500 turkeys on the march towards Reno from the North, to spend Thanksgiving with us. Give them a warm welcome.

—There are plenty of ducks on the meadows, but they are hard to get at. They mostly go down the canyon during the day and fly back about 3 P. M.

—The person holding ticket No. 77, the one which won the sewing machine in the recent raffle, will please apply to Mrs. J. D. Shaw for the machine.

—A naked Indian standing by a fire was accosted by a white man, who asked: "You heap cold, Jim?" Jim: "Is your face cold?" White man: "No." Jim: "Well, me all face."

—Mosquitoes fly about in the offices of the Court House all winter. They do not bite during the cold weather but when summer comes they "feed fat the ancient grudge they bear" the inmates.

—The cold snap took the trees by surprise. They had not finished shedding their leaves when the cold wave struck them. There are still many leaves clinging to the poplars. They must be frozen on.

—That assessment of $1 on Union is a little disagreeable to the stockholders. The last one was levied in July, 1879, since which time the mine has produced $1,000,000, all of which has gone for expenses.

—"Let me make the songs of the country and I care not who shall make its laws" is a happy expression whose authorship may be a matter of controversy. Abrahams says he don't care who makes the songs of the country as long as the White House has the selling of its clothes.

Personal.

John W. Mackay left yesterday for Paris. He expects to be absent until spring.

Mr. Compton, of Greenville, is moving to Reno for the winter. His daughter is at the Bishop's school.

Dr. J. G. Leonard, dentist, proposes to open an office in front of Reform Club hall.

Trenmore Coffin of Carson is in Reno. He says that the meeting of the Chapter of Royal Arch Masons, announced in the papers as about to take place in Carson, will not be held.

Congressman Daggett went East with Mr. Mackay in Mrs. Pullman's special car, said to be the finest in America. It was chartered by Mr. Mackay for the trip.

Grasshopper Eggs in Sierra Valley.

Farmers in Sierra valley say there were more grasshopper eggs laid last summer than ever before, and they are not in nests, but scattered all over the whole valley. It is hoped, however, that they are not of a destructive species. Those most common last year were much less voracious than the swarms of the two previous years. Large crickets were seen in different places last fall, coming from no one knows where. It is said that crickets follow the hoppers in almost all cases. Theodore Winters says that the hoppers ate everything in Washoe valley in '57 and '58, and in '59 the crickets came in great black armies. They were very destructive, but could not fly, and so a ditch or trench would turn them and save a field.

Some idea of the number of watches carried in this locality, may be drawn from the fact that our popular watchmaker Wm. Goeggel, has repaired one thousand and eighty-seven (1087) of those useful articles since the last great fire. novl6-tfl jan1

A Safe Investment.

Mr. Daily of Johntown, Plumas county, went over to Howland Flat last week and bought four fine safes at bedrock prices. He got a big bank safe weighing 5,000 pounds, with double doors inside and outside, for $50. The three others only brought $75, all told, and they are all good ones. Howland Flat is going down, so there is no use for fireproof safes there. The safes will be taken to Johntown.

Impersonal Journalism.

"Be you the——— what wrote this ——— ——— lie?" he yelled, as he rushed up to the editor of a Nevada newspaper and shoved a copy of the morning's issue under his nose.

The editor fell back and looked at the man. The intruder was fifteen feet high, and had a rawhide ten feet long and as big around as a hawser.

"A newspaper is supposed to be impersonal," began the editor. "Its editor speaks not out of his own belief, but as the voice of public opinion or"———

"I'll show you whether it's supposonal or not," interrupted the visitor, as he lifted the journalist by the hair and flapped him against the wall a few times. Then he held him up by the heels and licked him with the big rawhide, and finally mopped up the blood and brains on the floor with him, departing with the contented expression of one who has done his work well.

When the editor recovered consciousness he felt a little weak and stiff, but managed to crawl to the table and write the following: "In cases where the editor is personally known to a large portion of the public, as is necessarily so in small towns, his readers almost inevitably seem unable to separate the editor from the journal, and are too prone to accept what he intends as the reflection of public opinion as an enunciation of his own personal ideas."

Retiring From Jail in Bodie.

Says the Bodie *Standard-News* of the 13th: This forenoon Jailer Kirgan stepped out of the jail for a moment, leaving the door unlocked, when Alexander Jones, the notorious blanket thief, who was serving a sentence of 100 days, and Dan Horn, who had been committed to await the action of the Grand Jury on a charge of grand larceny, skipped out into the yard, placed a plank against the high board fence in the rear of the jail, scaled the fence and made their escape.

Preparing for the Holidays.

Mr. Goeggel, the well-known and popular watchmaker, is making every preparation for a lively holiday trade. His stock of jewelry, watches and silver ware is among the finest in the State. Beautiful new designs in his line may be seen at his establishment. He keeps fine diamonds in stock. Jewelry continues to be preferred for Christmas gifts, and Mr. Goeggel is likely to do a large trade this season.

Small-Pox in Stockton.

Says the Stockton *Independent*: The Chinaman who was at the pest house with small-pox died Thursday night and was buried immediately. This case was not contracted in Stockton, as the disease appeared three days after the Chinaman arrived in town. The only two cases remaining in the city are the two Hubner children, and they are both convalescing.

Mr. Burchard Heard From.

L. S. Burchard writes from Oakland that his first year at the Medical College has been successfully passed. A daughter of Adolph Sutro is one of the lady students attending the institution.

Mrs. Gibbs and her daughter, Miss Emma, are in East Oakland, and improving in health.

A Church for Alturas.

Says the Modoc *Independent*: Rev. W. Carver, while here this week, stirred the people up on the matter of building a church, and we hope that his work was not in vain. He promises at an early day to give us an outline of his plan and the cost of the building.

Canning Honey Lake Fruit.

Mrs. F. W. Day of Susanville has a fruit canning establishment there. She put up over 150 dozen quart cans of fruit this summer. It is said to be of a superior quality, and she supplies the local trade at lower prices than those ruling in the San Francisco market.

Beef Cattle.

Mr. Flint is expected in to-morrow with 200 head of beef cattle from Buffalo springs and Sierra valley. Cattle are not in active demand in this market. The price is from 4½ to 5 cents. None are being shipped.

At Rye Patch.

Says the *Silver State*: Samuel Brown of Reno, one of the owners of the Alpha mine at Rye Patch, is in town. He intends to resume work on his mine at an early day.

Carrick's Defalcation.

The *Enterprise* says: The exact amount of late County Treasurer Carrick's defalcation is shown by the report of the experts to be $21,940 91.

Gentlemen's AND BOYS FINE FURNISHING GOODS.

☞If you go to the right place to get them. This is a mighty important point, for some people who assert that they sell cheap do nothing of the kind. We do not boast when we say that we defy competition in prices in anything in our line. Besides this we have only one price. We have no preferred customers. Everybody is treated alike at our establishment. Our stock is the largest and most complete ever offered in any part of this State. Everything we have is new. No old, musty and out-of date goods can be found on our shelves. We receive daily by rail and express the latest and best goods, which are obtained at first hand and sold at prices below those now prevailing in New York and Chicago. Let the people come and judge of our prices and examine our stock before going into those humbugging, Cheap John shops, in which they drum into the ear of the customer that they sell at cost and even below cost. Anybody with common sense must know that they lie. No storekeeper sells goods for the fun of the thing. We make a profit on everything we sell, as every honest merchant does, and don't print foolish falsehoods in the vain hope of decieving the public. One must make a profit to live. We particularly call attention to our full stock of fancy underwear, such as is kept nowhere else in Reno. This class of goods form one of our specialties. Orders from the country promptly attended to. Look out for the White Building with the Gold Sign.

Dated October 27, 1880.

Summons.

IN THE DISTRICT COURT OF THE Second Judicial District of Nevada, in and for the County of Washoe.

The State of Nevada sends to Mary Jane Hall, Greeting: You are hereby required to appear in an action commenced against you as defendant by S. C. Hall, as plaintiff, in the district court of the Second Judicial District, in and for the county of Washoe, State of Nevada, and answer the complaint therein within ten days after the service on you of this Summons (exclusive of the day of service), if served in said county, or twenty days if served out of said county, but within said district, and in all other cases forty days; or Judgment by default will be taken against you according to the prayer of said complaint. The said action is brought to obtain a judgment and decree of divorce against the defendant and in favor of the plaintiff. The complaint alleges that the plaintiff and defendant intermarried at Rockport, in the State of New Hampshire, A. D. 1852, and lived and cohabited together until on or about the 26 day of August, A. D. 187?. That plaintiff was a true and faithful husband. That on the 28th day of August, A. D. 1872, at Reno, Nevada, defendant left plaintiff's bed and board and has ever since said time abandoned and refused to live with plaintiff, and has gone to the State of Massachusetts, deserting and refusing to cohabit with plaintiff, all of which will more fully appear from the Complaint which is on file in the office of the clerk of said court at Reno, in said county. And you are further notified that if you fail to appear and answer said complaint, the said plaintiff will apply to the court for the relief demanded.

(SEAL.) In testimony whereof, I, MARK PARISH, have hereunto set my hand and affixed the seal of said court, this 13th day of November, A. D. 1880.

SPINNEY will guarantee to forfeit $500 for every case of Seminal Weakness or private disease of any kind or character which he undertakes and fails to cure.

MIDDLE-AGED MEN.

There are many at the age of thirty and sixty who are troubled with too frequent evacuations of the bladder, often accompanied by a slight smarting or burning sensation and a weakening of the system in a manner the patient cannot account for. On examining the urinary deposits a ropy sediment will often be found, and some small particles of albumen will appear, or the color will be of a thin milkish hue, again changing to a dark and torpid appearance. There are many men who die of this difficulty, ignorant of the cause, which is the second stage of seminal weakness. Dr. S will guarantee a perfect cure in all such cases, and a healthy restoration of the genito-urinary organs.

Office Hours—10 to 4 and 6 to 8. Sundays from 10 to 11 A. M. Consultation Free, Thorough examination and advice $5.
